

## I N T R O D U C T I O N

My passion is to bring laughter to people while slipping simple nuggets of truth into their hearts, giving them courage to take a look at their challenges, and enabling them to begin to conquer them. At Steve Gilliland, Inc., our vision is to improve every situation by doing ordinary things better than anyone else and consistently demonstrate that everything we do matters.

Our purpose is to encourage and lift up other people so they are in some way better because of the way we lived. *A License to Chill* is from my heart to yours. I trust it will impact you in a very positive way.
